### CRITERION I – CURRICULAR ASPECTS

#### 1.1 – Curriculum Planning and Implementation

1.1.1 – Institution has the mechanism for well planned curriculum delivery and documentation. Explain in 500 words

Matrix School of Management studies, affiliated to Savitribai Phule Pune University offers MBA program recognised by DTE, Government of Maharashtra and approved by AICTE, New Delhi. The curriculum for the program is designed by university. At the beginning of each academic session, under the guidance of director, Academic Monitoring committee (IQAC) institute prepares academic calendar according to the notices and circulars received from the affiliating university, which is uploaded on the website. Students are informed about the academic calendar of the college notifying the probable teaching dates, dates of internal examinations, curricular, extension related and co-curricular activities. The Director of the Institute conducts meeting with the Academic Monitoring Committee and all faculty to discuss subject allotment, workload, guest lectures, industrial visits etc. In the meeting subject preference is taken from the faculty and subjects are allocated to the faculty as per the specialization and their experience in that subject. Once subject is allotted to the faculty the lesson plan with teaching pedagogy is prepared and Director checks and approves it. Class time tables are prepared by the Academic Coordinator. To update the knowledge and skills of the faculty the Institute regularly deutes them to faculty development programs and orientation programs organized by the Savitribai Phule Pune University or other prominent management Institutes. The Institute in this regard provides financial assistance to faculties to attend conferences, seminars and faculty development programs. The Institute also regularly conducts in-house Faculty Development Programs for the faculties. Experts are invited from academics and industry to guide the faculty on effective delivery of curriculum. University Examination result analyses is prepared for every semester and action is taken on that basis whereas for Internal Evaluation the performance of the students are continuously assessed with the help of internal exams, assignments, presentations, case studies, open

book tests, industrial reports etc. The Institute has initiated Mentor Mentee practice where mentors conduct meetings with the mentees and understand their expectations from the Institute and Institute's expectation from them. Feedback is taken from the students for each subject and action plan is prepared for further improvement if required. The subject records maintained by the entire faculty are assessed by the IQAC. The academic activities are further delegated to teacher's committee, student's welfare committee and IQAC. Each committee owns the responsibility of planning and execution of task allotted. Co-curricular is delegated to nine different committees. Each committee owns the responsibility of planning and execution of task allotted. These committees are Library committee, Exam Committee, Placement Committee, Sport and Cultural committee, Grievances Redressal Committee, Anti-Ragging Committee, Women Grievances Committee, SC/ST Committee, and Internal Complaint Committee. If any major issue arises while planning and execution of the curriculum Director seeks the advice of board of management

2.5.2 – Reforms initiated on Continuous Internal Evaluation(CIE) system at the institutional level (250 words)

The Institute follows the concurrent evaluation pattern of the Savitribai Phule Pune University. Three parameters are considered for the evaluation of core courses (full credit courses) and five parameters for elective courses (half credit courses). Apart from these regular courses the University has introduced extra credits courses and the Institute follows evaluation structure prescribed by the University. An internal evaluation is an integral part of the teaching-learning process. This evaluation is done through tests, assignments, project reports and internal viva. This comprehensive internal evaluation is the total responsibility of teachers teaching the course. The evaluation is done by teachers for external subjects and internal subjects as per syllabus. The students undergoes four semesters teaching learning process in two years. Every semester comprises of internal subjects and external subjects. The evaluation system has two components continuous internal evaluation (CIE) and end semester examination by SPPU. The ratio of weightage is 30 for continuous internal evaluation, 20 for online evaluation (online tests) and 50 for end semester examination. The online and end term examination is conducted by University.

The internal marks obtained by the students in core courses and elective courses are displayed on the notice board. In case of any query regarding marks or evaluation parameters, the students can meet their mentor. Internal viva (50) is conducted by the Institute for Summer Internship in the third semester and Dissertation in fourth semester. External viva (50) for both is conducted by the Expert appointed by the University.

5.4.1 – Whether the institution has registered Alumni Association?

Yes

Matrix has a glorious history of meritorious students passing out under various management programs. Many of them have achieved respectable positions in the corporate world. As recognition of their achievements in various fields and to enlighten the current batch about practical corporate interface we have been hosting the alumni meet every year since 2013. The institute firmly believes in involvement of alumni which rests its foundation on the principle that the students take life long experience. The alumni association got its registration in the year 2018 with the name "Matrix School of Management Studies Alumni

Association" (MSMSAA) Alumni Meet: Though the Alumni Association started in the year 2013, the formal Alumni Association registration certificate was received in the year 2018. Alumni meet receives remarkable response and there is enthusiastic participation of the Alumni from different domains. The Institute believes in "Power of Networking" which needs to be exploited to nurture all the talents and resources of the alumni. Alumni Meet as an event enhances the relationship among the alumni and enables them to discuss on various issues. Matrix strives for strengthening the bond between the alumni of different years. Objectives of Alumni Association: To provide a platform to know and recognize their seniors. To take the opportunity to felicitate the achievers. To give a foundation for life long relationship wherein our alumni can provide encouraging and potential job opportunities to the students. It gives our alumni an opportunity to meet their batch mates and get an opportunity to interact with the current students. It is rendezvous phase where they can contribute towards the development of the Institute. The institute gives the alumni a platform wherein they can come, participate and share their experiences success with the enrolled students and their teachers. The alumnus can relive the moments as students. The institute aims to leverage the expertise, access and reach of Alumni to the institute's development. The institute sends an invitation to the alumni to attend various events, judge competitions and participate in it. Alumni portray themselves as a role model and offers practical guidance to students as they start their studies, career, and business avenues. To be a member of the alumni association students need to pay the prescribed fees of Rs.500/-. The non-financial contributions include, but not limited to conduct of referral interviews, academic or placement trainings. ## CRITERION VI – GOVERNANCE, LEADERSHIP AND MANAGEMENT

### 6.1 – Institutional Vision and Leadership

6.1.1 – Mention two practices of decentralization and participative management during the last year (maximum 500 words)

Matrix School of Management Studies believes in goal congruence by working towards the vision and mission of the institute. The Management, The Director, all the faculty members and non-teaching staff play an important role in the development of the organization. Management firmly thinks that every faculty member must possess good teaching and leadership skills. They should be the role models for their students. The institution practices decentralization process wherein various participative roles are interwoven. Practice 1 (Decentralization): Different committees are formed as per the guidelines of AICTE/ University rules/government norms like: • Management committee • Governing council committee • Internal Quality Assurance Cell (IQAC) • Students Welfare Committee • Alumni committee • Exam committee • Library committee •

Sports and culture committee • Anti-ragging committee • Grievance redressal committee • SC/ST committee • Women grievance redressal committee • Placement committee • College development committee • Internal complaint committee • Start up and innovation committee • Internal complaint committee (ICC), and the task is distributed to all the teaching faculties. The faculties are given authority to conduct seminars/workshops/ conferences/conferences/FDP. All these committees are given specific tasks and responsibilities to fulfill necessary processes and procedures of the institutional development thereby practicing decentralization and participative management. 2nd Practice (Participative management): The institution promotes the culture of participative management at all the levels like, strategic level, functional level and operational level. At Strategic level- Director, governing body, Teachers council and the IQAC are involved in defining policies procedures, framing guidelines and rules regulations pertaining to admission, examination, discipline, grievance, support services, finance etc. In Functional level- The faculties are given freedom to design new teaching learning pedagogy. Faculty members share knowledge among students and staff members while working for a committee. Whereas at Operational level the Director interacts with government and external agencies, faculty members maintain interactions with the concerned departments of affiliating university and Students and office staff join hands with the Director and faculty for the execution of different academic, administrative, extension related, co- and extracurricular activities. In addition to this Director of the institute encourages teachers to participate in various seminars, conferences, faculty development programs for exchange of ideas, information, and self enhancement which encourages them to develop leadership skills by being in charge of that activity/event/program. The combination of the entire stakeholders helps in the upward movement of the organizations growth thereby following decentralization practices and participative management.

6.1.2 – Does the institution have a Management Information System (MIS)?

Yes

## 6.2 – Strategy Development and Deployment

6.2.1 – Quality improvement strategies adopted by the institution for each of the following (with in 100 words each):

Strategy Type	Details
Admission of Students	Admission is a centralized process which is strictly on the basis of merit in accordance to the CET Cell DTE policies. The admission process of 2018-2019 was online from application to the counseling round which has ensured a transparent process and students have been admitted on the basis of merit. After admission the student needs to upload his personal data in the Academic Monitoring System developed by the institute which helps us to compile the data easily.
Industry Interaction / Collaboration	Industry experts/representatives are invited to be members of different committees of the Institute. Seminars, workshops and sessions with experts from industry as resource persons are organized to seek guidance and suggestions which groom the students to

face the corporate world, enhance their skills and giving practical insights of the latest opportunities and challenges in the corporate field. Further to bridge the gap between Academia and Industry the Institute has signed MOU's and Agreements with various Industries which has helped the Institute in organizing guest lectures of senior industry personnel, SIP and Dissertation placements and Final placements. Startup cell is instrumental in motivating and developing entrepreneurship skills in the students.

#### Human Resource Management

A diverse workforce of industry practitioners and academicians is maintained with gender equality as important HR policy. High focus on overall employee wellness and healthy environment is maintained. In its efforts to train, motivate and reward faculty, the institution encouraged members to attend conferences/ workshops/ seminars and training programs. Overall satisfaction among employees is indicative of fairly good practices. Medical Insurance and PF were made compulsory as a welfare practice among employee.

#### Library, ICT and Physical Infrastructure / Instrumentation

The IQAC monitors the updating of library resources. The students are given an orientation on effective use of library resources. Library has journals, magazines, e-books and online database to establish an academic rigour. Infrastructural requirements were reviewed in the beginning of academic session. Smart class room, LCD in all the classes, huge computer laboratories are provided to the students with the objective of improving e-learning.

#### Research and Development

The IQAC gives directions and monitors the activities of research to improve the quality of research initiatives in the institution. The faculty members are encouraged to engage in activities that promote research and strengthen consultancy services. In its efforts to train, motivate and reward faculty, the institution encourages members to attend courses/ conferences/ workshops/ seminars/training programs, etc, and to be research - oriented. Institute Motivates faculty members for research publications in peer reviewed journals

with high impact factor and to present papers in International/National/State Level Seminars, workshops and to be a resource person.

#### Examination and Evaluation

The institute is affiliated to Savitribai Phule Pune University and all the examination are conducted as per its guidelines. The IQAC monitors and evaluate the activities of the Examination Cell periodically to ensure continuous and comprehensive evaluation of students and the timely conduct of examinations. The institute conducts internal external examinations as per timetable which is displayed on the noticeboard and students are also communicated through mail and what's app group. Examination marks are scrutinized and displayed to assess learning outcome and identify areas and strategies for improvement.

#### Teaching and Learning

Institute boosts best infrastructure by providing all facilities required for teaching-learning like classrooms, computer labs, seminar hall, and library, tutorial rams, ample of circulation areas, administrative area, canteen area green clean environment. This year institute made improvement of computer aided methods of teaching and learning by providing smart classroom which includes interactive board equipped with latest technology with improved displays, interactive tables, copy board, camera, touch screen much more. The institute organizes orientation programs for the freshers, provides mentoring, tutoring, counseling, remedial classes, and sponsorships to students from disadvantaged sections. Special programs are arranged to cater to the needs of advanced learners. The IQAC collects the feedback from stake holders to evaluate the teaching learning process at the institutional level and suggest measures for improvement.

#### Curriculum Development

Curriculum designing and development is decided by the affiliating university. Director and Faculty members interact with the university and provide their views related to curriculum development.

### 6.2.2 – Implementation of e-governance in areas of operations:

#### E-governance area

#### Details

Planning and Development	Academic monitoring system is developed in house by our student used for timetable, birthday reminders, classes, assignment and announcements. MCQ's can be developed by the faculties and may give that to students for solving. Efficiencies and efficacy are ensured through this system.
Administration	Administrative systems and practices have been stream lined to meet expectations of all internal and external stakeholders. To handle administration work Institute uses Academic monitoring system where admission form, student documentation, marks, result percentage, transfer certificate, bonafide certificate and many other useful features are available.
Finance and Accounts	To manage finance and accounts of the institute Tally ERP 9 is used where all the daily transaction is updated daily, vouchers and bills are also maintained. Reports are generated using the Tally ERP 9 software system. This is to ensure transparency and error free work.
Student Admission and Support	All admission processes are online and centrally administered by the State Government. To maintain student records Academic Monitoring System is used at the time of admission and is stored in the software. Reports in different forms are generated as required.
Examination	Academic monitoring system software is used to manage the profile of the student, Marks in different semester, generation of result analysis and total progress of the student during two years.

### 7.2 – Best Practices

#### 7.2.1 – Describe at least two institutional best practices

1. Mentor-Mentee Cell: Developing professional capabilities through academic milestones. The main aim of the mentoring program is to inculcate the best attributes of a true "Matrician", there by developing holistic personality to face the life challenges. ? To help student identify a career path through a program designed to link students with an advocate from the similar profession, who will provide honest insights as students explore and evaluate their potential, educational and career options. ? To expose the students to the experienced industry professionals, alumni and faculty at 'MATRIX' on a one-to-one basis to understand the art of making ethical and informed decisions in their professional life. ? To improve problem solving, communication, leadership, research and entrepreneurship skills of mentee. Mentoring relationships like partnerships started developing over time. Both mentors and mentees worked to make a fruitful and long lasting mentoring relationship with mutual respect for each other. Mentoring is significant aspect of a student's life and helps them to understand the spirit of life. Mentor-Mentee System is an invaluable program of MATRIX where each student of the Institute is nurtured holistically. It becomes the students endeavor to understand the intricacies of the Life both professionally and personally on these grooming platforms provided by the Institute. From placement point of view all the students are guided not only by the respective mentors to choose their specializations but also by industry experts giving them practical insights of the latest opportunities and challenges in the corporate field. The interaction between mentor-mentee counseling has created positive attitude among students to look at life which is a remarkable achievement to boost about. The way of understanding problems and situations and taking quick decisions have helped them to groom their personality in a better way. The mentor mentee cell shows records of students where their academics have been improved with continuous counseling. The progress of the mentees is mapped from first semester to final semester and results are brought to the notice of mentees and their parents by the mentors. The emotional and moral support of mentors has helped some students to come out from their introvert, shy zone and as a result these students have participated in intercollegiate competitions and have won trophies. 2. Matrix Gelignites: 'MATRIX GELIGNITES' is a student centric and student driven program displaying their presentation skills, managerial skills and entrepreneurial skill sets through projects. The objective of the program is ? To recognize excellent projects done by students from various management institutes by calling them under one roof of Matrix to share their practical experience from industry. ? To encourage management students to conduct

innovative, high summer internship projects. ? To create an interactive environment between management students and company experts from placement point of view. ? To understand the feedback and insights given to students to prepare them better to face the future challenges of the industrial and corporate world. This activity of 'Matrix Gelignites' is completely carried out by 2nd year management students with the help of assigned faculty members. The students invite various colleges for presenting their SIP reports. First year students watch and participate in helping their seniors, as they have to carry out this inter collegiate activity next year. There are two rounds in this event where first round comprises of display of their projects in chart form or a model form with time slot of 15 minutes. The institute invites corporate and academic experts to judge the whole event. The short listed candidates have to do their final presentation in front of judges in 15 minutes. The entire event is charged with healthy competitive spirit with trophies and certificates given to winners. The participation of students, faculty members, industry experts, academicians under one roof of Matrix energize the entire environment with positive vibrations, knowledge sharing, and team building atmosphere

### 7.3 – Institutional Distinctiveness

7.3.1 – Provide the details of the performance of the institution in one area distinctive to its vision, priority and thrust in not more than 500 words

Creation of 'EDU PACK' Institute is not known for merely enrolling students in the college but is more recognized for creating satisfaction amongst students.

Matrix School of Management Studies firmly believes in deep- rooted well grounded, holistic, in-depth development of management youth. Through its 'Vision' and 'Mission' statements, it carries a clear message of giving academic excellence and exhibits it through plethora of its functioning. The institution continuously thrives for excellence in their discipline. Matrix is running MBA curriculum, which is a postgraduate program so the institute has found it necessary to bridge the gap between rural and urban youths as a result creation of 'EDU PACK' was developed under institute social responsibility.

Constant efforts are taken every year by the college to spread social responsibility and to take onus of the actions acting as catalyst of change. As it is very well said "Nine tenths of education is encouragement." Management takes keen interest in spreading awareness of higher education in rural areas in order to remove the backwardness in their academic and living style by broadening their horizon of thinking. The area of distinctiveness built over past years is the creation of 'EDU PACK'. The objectives of EDUPACK are as follows: ? To spread knowledge of management education and its career in rural areas. ? To conduct sessions on communication, skill development workshops ? To undertake activities to improve socio-economic conditions of the society. ? To create awareness of the opportunities and challenges in urban areas. ? To make them conscious of their potentials and motivate them for higher education for better job opportunities ? To empower students from weaker financial backgrounds to climb higher ladders of education as they stop their career at graduate levels. ? Encouraging girls from rural areas to aspire for their dreams and educate them by equipping with higher degrees and salaries, having a better lifestyle and supporting their parents and not falling into marriage rituals at the early age. ? To imbibe confidence and positive attitude in rural youth as they speak in vernacular medium and are not good in speaking English. Under social responsibility, the institute takes responsibility of forming a team of faculty members tapping various colleges in rural areas. The faculty members of Matrix along with the college staff coordinates with the principal

of various colleges for the sessions, which are essential for their students to be conducted in their colleges. The workshops covered are on various topics like "Careers in Management", "Skill Development", Communication skills, "Interview techniques for better job", "Quiz competition", "Gender Sensitization" "Personality development" likewise. With these activities through EDU PACK the rural youth gets aware with the latest happenings in the outside world and gets better equipped to pull on his/her socks for future career journey.
